

Families in Bath Schools Option 2, online learning program, may participate in the district's free meal program. These meals will be distributed at Bath High School Door #5 weekly. In order to receive a weekly meal pack, families must sign up a week in advance of each meal pick up. This is to ensure enough product is ordered to meet the needs of all the families.

Families that wish to participate in the weekly meal pick-up must sign up for their meal pack a week in advance by completing a short google survey which will be posted to bathwildcats.org

The district will send out an Ohio Alerts text each week reminding parents to sign up via the google survey link on the school's website.

Should school cancel on a pick up day, the pick-up will happen the next day school is in session.
