# Mercy Health-Bath Local School Health Center

Caring together. **MERCYHEALTH**

## Convenient healthcare for your child and family

We know it isn't always easy to take care of a sick child. And with our busy schedules today, fitting in an appointment at your primary care office can be difficult. We also know that your child's health is always a top priority.

Bath Local Schools and Mercy Health are pleased to announce an innovative collaboration to grow the health and wellness of our community. Mercy Health will offer the services of certified nurse practitioner, Angela Courtney, CNP to meet the healthcare needs of your children.

This health center is also open to the general public and school staff.

Mercy Health- Bath Local Schools Health Center will open its doors to patients on **March 21<sup>st</sup>** in the Community Building near the bus garage.

Although the office will be ready to treat patients throughout the day, we want to assure you that your child would not be seen without your prior consent. Mercy Health will accept both self-pay patients and those with insurance.

Through this partnership, Bath Local Schools and Mercy Health are working to provide convenience to parents and reduce student absenteeism by helping your sick child get well and back into the classroom.

The health center will offer a variety of day and evening hours to best suit your needs:

Mondays: 10:30am – 7pm  
Thursdays: 7am – 3:30pm  
Fridays: 8am – 4:30pm

Mercy Health- Bath Local Schools  
Health Center  
2650 Bible Road
