### Bath 6<sup>th</sup> grade Email Permission Slip

Bath Middle School (6<sup>th</sup> gr.) is now providing students with the opportunity to have a school email account. These accounts are for *academic purposes only*. Our goal in offering this service is to provide students with the communication tools necessary to meet the Ohio Technology Standards and Grade Level Expectations. These email accounts are to be used for educational purposes only, as stated in the Acceptable Use Policy that students signed at the beginning of the school year and can be found at: <http://www.bathwildcats.org/buildings/bath-middle-school/>

The student email accounts will be monitored and are not private and are the property of Bath Local School District. Abuse of email accounts will result in disciplinary action to be determined by school policy and administration. The account can be suspended if any inappropriate use is suspected and that action will be handled by school administration.

These email accounts are only to be used to **'sign up' for school related opportunities** and for Bath staff to Bath student, Bath student to Bath staff and Bath student to Bath student communications. These accounts will be deleted/disabled at the end of the school year.
