May 4, 2020

Dear Bath Community,

Please see the latest update below as we continue to try and keep everyone abreast of the latest information coming from the governor, ODE, the Ohio Department of Health and the Allen County Department of Health.

Last week, Governor DeWine extended the “Stay at Home” order [through May 29, 2020](#) and the new order is now called “Stay Safe Ohio”. This order calls for the closure of school buildings, facilities and activities [through June 30th](#). This includes all activities inside and outside the school buildings and on our outside athletic facilities from high school sports to youth sports. However, the processes we’ve set up and communicated by building for the end of the year with drop off and pick up times for students and/or parents as well as having staff back on campus will move forward as planned as we stay within the health department’s guidelines for mass gatherings and social distancing.

Lastly, we’ve recently had issues with four wheelers and golf carts riding on our fields on campus. We are asking that you respect our grounds as you would your own property and stay off our grounds. We appreciate your understanding and cooperation in adhering to these guidelines.

Sincerely,

Rich Dackin
Bath Superintendent
