

**Important Information Concerning a Large Portion of Our District Funding**

I write you today to begin a conversation about a complex issue that could have a significant impact on our school district. As you may know, school funding has traditionally been a less than stable function of our state government. We are on the cusp of an issue that will undoubtedly have a lasting effect, and I urgently need your attention and understanding as we move forward. Here is my sincerest effort to explain the issue in brief using the information I have been given to date:

In 2005, the state legislature passed a law to reduce the amount of taxes (known as tangible personal property, or TPP, tax) that local business and industry must pay.

The effect of the law would have, in some cases, reduced our school district's income and, in other cases, increased taxes to property owners. Therefore, the state legislature replaced (reimbursed schools) the money no longer collected from industry with money from commercial activity, income, and sales taxes (often referred to as "state" money).

Between 2014 and 2022, the state is eliminating this reimbursement to school districts. As a result, our district has been or will be impacted in two ways:

- Our district has lost about \$1.6 million in annual revenue since 2009, which we have not asked taxpayers to replace from our fixed rate levies (the state is keeping this money to use for other purposes)
- Our district property owners will share an additional \$1 million in tax burden due to TPP reimbursement being eliminated from our \$3.7 million emergency (fixed sum) levy that has been in place since 1999. **In other words, the state is going to keep the money they were using to reimburse the district which causes the burden to fall on all taxpayers in the district.** A more detailed explanation of this issue can be found on the district website at: [www.bathwildcats.org](http://www.bathwildcats.org)

Below is a table from the Allen County Auditor's Office received in November 2016 illustrating the estimated increase that property owners will see depending upon the value of our property:

Collection Year	2019 Annual/Monthly Increase	2020 Annual/Monthly Increase	2021 Annual/Monthly Increase	2022 Annual/Monthly Increase	2023 Annual/Monthly Increase
Market Value					
\$100,000.00	\$25.00/\$2.08	\$25.00/\$2.08	\$25.00/\$2.08	\$25.00/\$2.08	\$25.00/\$2.08
\$125,000.00	\$32.00/\$2.67	\$31.00/\$2.58	\$34.00/\$2.83	\$32.00/\$2.67	\$31.00/\$2.58
\$150,000.00	\$38.00/\$3.17	\$41.00/\$3.42	\$38.00/\$3.17	\$38.00/\$3.17	\$37.00/\$3.08

School boards around the state who have similar circumstances have been working to find a legislative solution to this issue without success. I will continue to work with others around the state to find a solution. However, if none is found, the \$1 million reimbursement being phased out will be passed on to you and me, district property owners. The Bath board and administration feel it is important for you to have substantial notice of this issue.

I'm sure you understand that it would be devastating for the district to lose \$1 million annually after the losses we have already suffered. Furthermore, this emergency levy must be renewed before the end of 2019. If this levy does not renew before the end of 2019, we will lose the entire \$3.7 million in revenue, not just the \$1 million in reimbursement revenue. I am here to answer any questions you may have about the loss of TPP. Please do not hesitate to call my office.

Sincerely,

**Dale E. Lewellen, Superintendent  
Bath Local Schools**

**FIFTH GRADE QUIZ BOWL TEAM**

The top eight scorers were selected as team members to represent Bath Local Schools at this year's quiz bowl meets and tournament. Members of the team are: **Brennen Hughes, Brennon Ryan, Keaton Sexton, Jonah Volbert, Clay Boedicker, Jordyn Sturgeon, Andrew Sheidler and Jaden Augsburg**. Mrs. Wiedenbein is the Quiz Bowl coach. Quiz Bowl is a wonderful opportunity for our academic leaders to show off their love for learning and incredible knowledge. **SECOND YEAR FOR THE ELEMENTARY NewsCats!**

Bath Elementary School fifth grade students **Trey Welsch, Erik Staley, Alex Miller, Claire Armentrout, Krissy Kohlrieser, Kaelyn Harris, James Ward, Alivia Greaves, Jackson Kohlrieser, Joe Mosley, Claire Foust and Tyson McGee** are this year's staff for the Elementary NewsCats! They are learning how to put together recorded video announcements for our students to watch as well as live video productions streamed to parents and grandparents if they are unable to make it to an event. Most of the time, the NewsCats are able to put together and record video announcements for the students to watch once every two weeks. After several productions this year, it appears The NewsCats are well on their way to producing some high quality news reports.

**WILDCAT KINDERGARTEN ROUNDUP**

Bath Elementary School is taking names for 2017 - 2018 Kindergarten. To be eligible, a child must be 5 years old on or before August 1, 2017. If you have a child who meets this qualification, contact the elementary office during regular working hours. Parents will need to provide the school with the child's birth certificate (which includes mother's maiden name), social security card, immunization information, custody papers (if applicable including all pages of the document and the judge or magistrate's signature), and three documents providing proof of residency in the Bath Local School District. All of these items must be submitted to the elementary office before registration forms may be completed. Parents should pick-up the initial information packet in the elementary office as soon as possible. Parents will also sign-up for a screening time for their child at that time. Screenings will take place March 7, 8 and 9. The elementary office is open to pick-up packets from 8:00 a.m. to 2:00 p.m. and from 2:30 p.m. to 3:00 p.m. daily.

**5<sup>TH</sup> GRADE CHOIR**

The Fifth Grade Choir has been working incredibly hard this year. Before break, they were asked to learn a lot of music for our Christmas Program "Crazy Christmas". They did a wonderful job and put on a great show that involved over 100 students, many of which had singing and speaking solos. I couldn't be more proud of them all!

Now that Christmas is over, the choirs will continue working on reading music, singing technique, and many other musical ideas. Soon, they will begin preparing for their next concert to be held on May 22 in the Middle School Gym. This concert will give students the chance to see what they will do in the future, as this concert will be with the rest of the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade choirs.

The first half of this year has been so much fun! I look forward to the rest of the year working with these great singers!

Mrs. Schulte brings a great deal of talent and experience to our school, including ten years at Mercy Health prior to taking the position at Bath Schools. Mrs. Garver will now spend the vast majority of her time serving the needs of the elementary students.

## REAL MONEY REAL WORLD

On February 26th, eighth-grade students at Bath Middle School will take part in the Real Money/Real World activity. This activity involves each student being assigned a career and a corresponding salary. Students then go about budgeting their money as they purchase items and services necessary in the lives of an adult. Area business representatives, financial advisors, law enforcement officers and others donate their time to provide assistance and guidance in this “real life” activity. The activity is coordinated by Bath High School teacher Jennifer Brachok, in cooperation with The Ohio State University and the Apollo Career Center. The activity serves to give our students an understanding of the costs of goods and services as well as the budgeting of money based on earned income. The middle school would like to thank the area business representatives for donating their time and knowledge to benefit of our students. We also wish to thank the Bath PTS for helping fund the activity.

## MIDDLE SCHOOL ATTENDANCE POLICY

Students are permitted to miss 4 days per semester (8 for the year) without medical notes. In order for these absences/ “call ins” to be excused, a parent or guardian must speak to the office explaining the absence within 24 hours of the absence. Excused absences entitle a student to make up any school work missed. These absences are based on one or more of the following conditions: (1) personal illness (2) death or illness in the family (3) observance of a religious holiday (4) other circumstances which may constitute an excused absence will require prior approval from the principal or assistant principal. Students with excused absences are solely responsible for making up any schoolwork missed.

Students with unexcused absences will not be given credit for any school work missed. Unexcused absences usually consist of, but are not limited to, one or more of the following conditions: (1) truancy-no note (2) needed at home (3) gainful employment (4) oversleeping and /or missing the bus (5) car trouble of any kind (6) non-emergency errands of any kind (7) personal reasons will be unexcused unless the reasons are specifically identified and prior approval is given by the principal or assistant principal.

## GEOGRAPHY BEE 2017

Can you answer this question: “Jura and Lucerne are cantons of what mountainous country?”

The correct answer is Switzerland. This question was one of many given during this year’s Geography Bee Finals at Bath Middle School in January. The questions were difficult, but the students did an excellent job with their knowledge of U.S. and World Geography.

8<sup>th</sup> grader **Josh Horton**, son of Diana Schroeder and Lloyd Horton, was the 1<sup>st</sup> place winner in the 2017 Geography Bee; 8<sup>th</sup> grader **Elijah Miles**, son of Nicki Fuqua and Mark Miles, finished 2<sup>nd</sup> place; and **Charlie Schneider**, son of David and Tina Schneider, finished 3<sup>rd</sup>.

Congratulations to all of the students that competed in the 2017 Geography Bee.

The National Honor Society provided gifts for nearly 50 children, the Spanish Club donated canned goods to each family, and FCA donated hats and gloves for the families. This year was a very successful year, and we hope to help additional families each year.
